EXPERIENCE

URGENT IT SOLUTION | PHP LARAVEL DEVELOPER

Dec 2021 – June 2022 | Noida, Uttar Pradesh

- **PHP Laravel Developer** : Assisted in developing and maintaining web applications, collaborated with teams, learned new technologies, and tackled challenges to enhance skills and deliver quality solutions.

UNICLOUD IT SERVICES | PHP LARAVEL DEVELOPER

June 2022 – Sep 2022 | Mohali, Chandigarh

- **API Integration with cURL**: Integrated third-party APIs using cURL to extend web application functionality, ensuring secure communication through API key and OAuth authentication.

AASHVI ENTERPRISES | PHP LARAVEL DEVELOPER

Oct 2022 – Oct 2023 | Noida, Uttar Pradesh

- **Web Application Development & Optimization**: Developed and maintained web applications using PHP and Laravel, optimizing code and database queries for improved performance and scalability.
- **Collaboration & Quality Assurance** : Worked closely with cross-functional teams to design user-friendly interfaces and conducted thorough testing to ensure high-quality, reliable deliverables.
- **Continuous Improvement & Deployment** : Assisted in the deployment and maintenance of applications, while researching and integrating new technologies to enhance development processes.

VISION LANGUAGE EXPERTS | PHP LARAVEL DEVELOPER

Oct 2023 – Present | Noida, Uttar Pradesh

- **Backend API Development & Integration**: Crafted and maintained RESTful APIs to enable seamless, efficient data handling and secure integration across web and mobile applications.
- **Extensive Third-Party API Integrations** : Incorporated a range of third-party APIs, such as payment processors, CRM systems, and analytics platforms, to enhance functionality and broaden application capabilities.
- **Robust Security & Authentication** : Ensured data integrity and secure access through advanced authentication protocols, including OAuth, JWT, and API key-based mechanisms.
- **Performance Optimization & Scalability** : Enhanced system performance and scalability by optimizing database queries and code, enabling reliable support for high-traffic environments.
- **Cross-Platform API Compatibility** : Developed APIs with cross-platform consistency, ensuring reliable performance and a unified user experience across web and mobile interfaces.

PROJECTS

VISION LANGUAGE EXPERTS | PREPARING ONLINE EXAM

Dec 2023 – Present | Noida

- Develop and maintain a CRM system for lead tracking, allowing admins to manage and assign leads, and create a new RESTful API for web and mobile applications, while continuously updating code and optimizing portal speed.
- E-commerce Platform, Medical Appointment Booking Car Booking Application Gambling and Gaming Platform, Food Booking

EDUCATION

SUNDER DEEP ENGINEERING COLLEGE.

COMPUTER SCIENCE ENGINEERING (CSE)

June 2016 to June 2020 | Dasna, Ghaziabad, Uttar Pradesh

SKILLS

PROGRAMMING SKILLS

Php Laravel
MySQL Database
HTML CSS, Bootstrap
Javascript Ajax, JQuery
Rest Api Third Party Api

TECHNOLOGY

Git/Github • Postman • Vscod
• Cloud Platforms • Version Control

SOFT SKILLS

- communication and coordination skills
- Skilled at managing multiple tasks efficiently and meeting deadlines.
- Proficient in analyzing situations and making effective decisions to resolve issues.
- Strong collaborator with the ability to lead and work effectively in team environments.

ACHIEVEMENTS

- **Optimized backend performance**
Reduced API response time by 30% through efficient query design and caching, enhancing system speed and user experience.
- **Led system migration**: Successfully migrated legacy systems to microservices, improving scalability, flexibility, and maintainability of backend services.
- **Developed scalable APIs**: Built high-availability RESTful APIs supporting 100,000+ active users, ensuring minimal downtime during peak loads.
